

Hello! I am a Visual designer with a strong interest in brand identity, packaging design, and expressive typography. My work focuses on building thoughtful visual systems that communicate ideas clearly while maintaining strong aesthetic impact. I approach each project with a balance of creativity and strategic thinking, ensuring that every design decision supports the brand's message and purpose. I am driven by curiosity, problem-solving, and a careful attention to detail, and I am motivated to contribute meaningful, high-quality design work within a collaborative and forward-thinking team environment.
